

Open Report on behalf of Andrew Crookham, Deputy Chief Executive and Executive Director – Resources

Report to:	Audit Committee
Date:	5 February 2024
Subject:	Audit Committee Work Programme

Summary:
This report provides the Committee with information on the core assurance activities currently scheduled for the work plan.

Recommendation(s):
To review and amend the Audit Committee's work plan ensuring it contains the assurance areas necessary to approve the Annual Governance Statement.

Background

1. The work plan, as attached at Appendix A, has been compiled based on the core assurance activities of the Committee as set out in its terms of reference and best practice.

Training and Development Programme

2. An important element of the Audit Committee's effectiveness is continuous training and development. This enables committee members to remain up to date on key issues, hot topics and any developments that impact on Audit Committee role and remit.
3. After discussion with the Chairman and Vice Chairman of the Audit Committee the following training and development programme is proposed.

Session One – A half day event – in person event at Lincoln (Date to be confirmed).
Covering the following topics:

- **Effective Audit Committee** – CIPFA has issued some new guidance for Audit Committees. We propose to recap and run through any changes. We will also undertake an assessment of the effectiveness of the Committee – benchmarked against this best practice guidance.

- **Risk Management** – demonstration of new risk management software.
- **Horizon scanning** – picking up some of the big issues and risks facing public sector, how they potentially impact the governance and control framework of the council. Looking to develop the forward work plan – agenda items.

Webinars – Team meeting training events. 1 hour sessions on key elements of the Committee role and remit. Scheduled over 2023.

- **Risk management** – recap on how risks are managed – our risk appetite – how we gain oversight and assurance that our risk and issues are being effectively managed.
 - **Counter fraud** – recap on our approach our fraud risk register with horizon scanning from a fraud perspective.
 - **Good governance and our assurance arrangements.** Propose a workshop with Overview Scrutiny Management Board on how our governance and assurance arrangements measure up against good practice and recent public interest reports.
4. **Lincolnshire Audit Committee Forum** – there’s been a number of requests for this forum to be reinstated. This is where Lincolnshire Audit Committees meet to share their experience – bring out common themes and risks facing the public sector and how Audit Committees can help improve the governance, risk and control environment.
 5. **Working with Overview & Scrutiny Management Board (OSMB)**– quarterly meetings held to discuss areas of common interest. Work programmes are shared and the Chairman of the Audit Committee attends (OSMB) as appropriate (depending on agenda items) and vice versa.
 6. **Emerging Risks** - A verbal update / discussion on any emerging high-risk areas that the Committee may wish to consider for future agenda items.

Conclusion

7. The work plan helps the Audit Committee effectively deliver its terms of reference and keeps track of areas where it requires further work and/or assurance.
